Time slot for IFK news

From 2-2.15 pm, we have a time slot to exchange IFK news such as reports about the conferences attended by our members, interesting CFPs or relevant invitations to conferences.

Presentation formats

PhD students choose one of the formats on our presentation template sheet and tell Sophie Caflisch about their decision. Make sure you hand in the material **10 days in advance**.

Post docs prepare a presentation of 30 minutes according to their choice. Please provide a handout or a chapter of your work **3 days** before the session.
